3 on 3 Basketball Rules

Rosters

1. Rosters may consist of a minimum of three (3) players and a maximum of five (5) players. Teams will be placed in one of three brackets: 15 and Under, 19 and under and Open Division. Teams that have mixed ages must play in the Open Division.
3. Rosters must be submitted to the tournament director in advance. All changes to the roster must be pre-approved by the tournament director.
4. Rosters may not be changed or adjusted once games begin.
5. Illegal rosters or players may result in forfeiture at the discretion of the tournament director.

Game Play

1. Games will consist of two seven (7) minute halves, running time or first team to 15pts.
2. In the event of a tied game, a one (1) minute overtime session will take place. A maximum of three overtime periods can be played to determine a winner. If a winner is not determined by the end of the third overtime, the next team to score will be declared the winner.
3. Teams will not have any timeouts during the game. The only stoppage of play will be in the event of injury or at the discretion of the tournament director/game official.
4. A coin toss will determine who gets the ball at the beginning of each game and at the beginning of an overtime session.
5. Regular baskets are worth 1 point and shots behind the arc are worth 2 points. Free throws are worth 1 point each.

Game Rules

1. After a score, the defensive team will take possession of the ball at the top of the key (loser's out).
2. All change of possession (steals, air balls, rebounds, etc.) must be cleared outside the three point arc. Once the ball is cleared, the team may attack the basket and score.
3. One foul shot will be awarded on fouls that occur while a player is in the act of shooting.
4. All other fouls will be a dead ball and the offensive team will keep possession and begin play at the top of the key.
5. Fouls that occur in the last two minutes of the game will result in a 1-and-1 foul shot. (This prevents a team from milking the clock in the final minutes.)
6. Technical fouls will result in two shots and loss of possession. Two technical fouls received by the same player will result in ejection from the tournament. Maximum of 3 technical fouls for the tournament before ejection from the tournament.
7. All disputes will be handled by game officials and/or the tournament director.
8. Tournament format will be determined based on the number of teams entered.
